Neurology: Genetics Acknowledgment to Reviewers

Neurol Genet June 2021 vol. 7 no. 3 e588. doi:10.1212/NXG.0000000000000588

We wish to acknowledge the individuals who have completed reviews for the journal over the course of 2020—your thoughtful comments are tremendously helpful and highly appreciated. We are also grateful for your cooperation in returning reviews in a timely manner. Please find the guidelines for reviewing articles on the *Neurology: Genetics* website at ng.neurology.org/. This page provides information on expectations of reviewers regarding confidentiality, timeliness, and reviewer conflicts of interest; it also provides instructions for formatting the comments to editors and authors to enable the most effective communication with authors.

Please email ngjournal@neurology.org if you are interested in completing more reviews for *Neurology: Genetics* or if you have never reviewed for the journal but are interested in doing so. Include a description of your credentials and expertise in the areas in which you are qualified to review. We look forward to hearing from you!

The reviewers listed below with 1 asterisk have reviewed 5 or more articles in 2020. This list includes those reviewers who returned a review or reviews of initial submissions (rereviews of the same article are not included).
